rahabdikadyrov@gmail.com

RESEARCH EXPERIENCE

- Comprehensive study of oil and gas vs green energy evaluating the energy efficiency and environmental impact.
- Environmental and energy efficiency metrics study of oil and gas
- Using the data analysis focusing oil and gas field

PROFESSIONAL EXPERIENCE

JSC 'PetroKazakhstan Kumkol Resources, Sector: Oil and gas

Kyzylorda, Kazakhstan

Engineer-Technologist, Department of Oil and Gas production

Nov 2009 to present

- Leading the data collection and data quality monitoring
- Leading analyze, establish and discover the reason of production task deviations on main oil and gas production indices, working substance indices, preparation and quality of delivering oil
- Leading collect and process monthly report on oil and gas production and delivery, on delivered oil volume from other oilfield, well-workover operation, on producing well stock state
- To make technical and economic performance at the end of month
- To make main daily report of current oil production
- To make expected production during the current day

JSC 'Turgai Petrolrum', Sector: Oil and Gas

Kyzylorda, Kazakhstan

Oil and Gaz Recovery Plant - Internship

Jan 2007 to Feb 2007

- Operations of daily monitoring
- Laboratory analysis of oil-and-gas properties using data analysis

JSC 'PetroKazakhstan Kumkol Resources', Sector: Oil and gas

Kyzylorda, Kazakhstan

The complex preparation and swapping of Oil Plant - Internship

June 2006 to July 2006

- Control of Oil Gas Delivery to the Tanks
- Laboratory analysis of oil-and-gas properties

EDUCATION

- Intensive Academic English, University of California, San Diego, 2021
- BS (Graduated with Honors: GPA: 4.95), Exploitation and Mining of Oil and Gaz Fields, Kyzylorda State University named after Korkyt Ata, 2007

CERTIFICATIONS

- Qualification: Oil-mining engineer
- Certificate of International Ultimate Training Center, studied effective method of office work, oil production and drilling, oil exploration;

AWARDS

- Graduate Scholarship, Bolashak Presidential Scholarship
- Altynbelgi for University study, Kazakhstan

PUBLICATIONS

A. Abdikadirov et al., The complex decision of problems on prevention of salt formation process by development "Kumkol" fields, Kyzylorda, Kazakhstan, 2007

PERSONAL CHARACTERS

- Self-motivated, problem-solving and collaborative scientist with excellent communication skills (Russian and Kazakh)
- Looking to contribute to use computational methods to push forward data analysis in the oil gas field.

OTHER SKILLS

Software AutoCad, Avoset capture, Babelfish (Schlumberger), Microsoft Word, Excel, and PowerPoint, Latex,
Languages Russian: professional proficiency. Kazakh: native. English: Advanced.
